ORGHA, PO Box 51186, Livonia 48151 [www.OldRosedaleGardens.com](http://www.OldRosedaleGardens.com) Publication Date: October 20, 2017

## President's Press by Dick McLain

Fall weather and fall colors. Must mean it is time for the annual Halloween Parade. Hope you can come out for the fun and watch the kids. This is our big fall event and is always popular.

October also brings our General Meeting and Elections. We are open for topics but the main topic is to discuss a request to have the Livonia Police Department Liaison officer be a member of the ORGHA Facebook group. We will hear of the possible benefits and listen to your thoughts. Don't forget the cider and donuts.

The pillar at Merriman and W Chicago has been rebuilt with the final touches yet to come and the Auburndale pillar has been repaired. I will be glad when it is completed.

The Cranston project at the old school site looks to be complete and the property is in the process of changing hands. We will keep you updated with any developments. We can count on homes being built and we want to have input on the approval of the plans.

Please consider a contribution to ORGHA as the end of the year nears. We are at 34% of the members listed in the directory as contributing. It would be really great if we could get that closer to 50%. You can do it!

Be safe out there and see you out in the neighborhood.

# 2017 ORGHA Contributions

The list of residents having made contributions to ORGHA in 2017 is below.

Although our new on-line contribution feature has been helpful, we still are at a relatively low contribution rate. As of the 2nd week in October, we have received 210 contributions, which represent 34% of the neighborhood residents. We are in the last quarter of the year so there isn't too much time to get those contributions in! Ingram has taken over the lead with a 43% contribution rate, but Auburndale is right behind with a 42% contribution rate!

**As in previous years, we optimistically set our goal at 50% of the neighborhood making a contribution to ORGHA.**

The suggested contribution for 2017 is \$30, but as always, **any amount** contributed is gratefully accepted. Thanks again for your ongoing support! – George DuPuis

## LiquiForce and City Sewer Cleaning

As many of you know LiquiForce has been working on area sewer lines. The city contracted them to clean and video tape/inspect the lines in all of Old Rosedale Gardens. My guess is that excludes the houses on the south side for W Chicago. They have already relined the sewer running between Melrose and Auburndale from W Chicago to Orangelawn. My understanding is they will reline the section from Orangelawn to Elmira as well. All other sewer lines will get only the cleaning and video inspection. We can't rule out a problem that will require more relining but none are expected at this point. Over the next 30 days the work will continue across the neighborhood. Look for the trucks and/or possible door notifications. As the lines are power washed the pressure that is pushed through the line can cause a problem in your house. As they run past your lateral (where your sewer line enters the sewer main) it can cause the air to be pulled through your drain pipes and suck all the water out of the toilets and drain traps. This will allow sewer gases to get into you house so watch for that. This does not always happen. I am not sure why but it has happened to me twice. Run water in each drain and flush every toilet if that happens. If you are going to be gone and know they are working that day put plastic wrap over your toilet bowl and then put a towel over that and then put the seat and lid down. Put stoppers in the drains. Hope they are complete in the 30 day period.

# Larry's Foodland Parking Lot Development

Larry's Foodland is happy to announce that phase one of the parking lot renovation is complete – all entrances and exits are accessible and all parking spaces in front of the store are available for use. Phase two (the far south/west corner) has begun and is expected to be complete soon. So come on in and shop knowing you can access the parking lot from Plymouth and/or Farmington.
